VII FINISHING OPTIONS

IMPORTANT

- The inner parts of the furniture, backs and drawers structures are veneered in the same outer veneer. Back of the drawers are coated in melamine "NUD CRAFT".
- All pieces shown in the catalogue have matte finish: **20% gloss**.
- 100% matte finishes must be ordered: **0% gloss**.
- All veneers are of natural wood. Exceptionally, pre-composed veneers can be used. Examples of the proposed ebony options.
- The variation of the veins and tones of the veneers are unavoidable due to different origin of the woods, exposure to light, oxidation, age, etc.
- It is not possible to ensure the exact same look of pieces with the same raw material if supplied in different time periods.
- Novibelo will not be held liable for differences in tone or general appearance of materials used in furniture produced in different periods of time, even if with the same raw materials.
- There are products which, due to their technical and/or design characteristics, may make their production impossible on certain veneers or finishes.
- The raw materials used in the catalogue products images are not binding.
- The physical samples of finishes are indicative only.
- Finishes replicated by customer sample, may vary from the original.
